

Saeed Lotfifard

Assistant Professor, Electrical Engineering
School of Electrical Engineering and Computer Science

Steering Committee Member
Energy Systems Innovation Center

Education:

- Doctor of Philosophy, Electrical Engineering, Texas A&M University, Texas, 2011
- M.S., Electrical Engineering, University of Tehran, Iran, 2006
- B.S., Electrical Engineering, University of Zanjan, Iran, 2004

Research Areas:

- Power systems protection and control
- Health monitoring, fault diagnosis and prognosis of renewable energy and storage systems
- Fault-tolerant and resilient renewable energy systems

Professional Experience:

- Assistant Professor, Washington State University, Washington, 2014–present
- Assistant Professor, University of Central Florida, Florida, 2011–2014

Professional Recognition/Service:

- Editor of IEEE Transactions on Smart Grid
